Achievements for 2018

501(c)3

In January of 2018 the Northeast Chorale was incorporated as a 501(c)3 non-profit corporation. The Internal Revenue Service granted tax-exempt status in March. The Northeast Chorale Board of Directors and Artistic Director Phil Holtzman worked tirelessly to make this long-held dream a reality.

5

Concerts were aplenty in 2018. The chorale started the year with two concerts of *Baroque, Beatles and Broadway* in May. After a summer off, the fall and winter seasons were packed with *A New Day, Holidays Under Glass* at the IDS Center, and *Nine Lessons and Carols* at Gustavus Adolphus Lutheran.

30+

The singers of the Northeast Chorale learned a large repertoire of songs in 2018. Works by John Rutter, Kim André Arnesen, Bobby McFerrin, Johann Sebastian Bach, John Lennon and Paul McCartney, Stephen Sondheim, Andrew Lloyd Webber and many more were performed by the chorale.

46

The Northeast Chorale welcomed 46 singers in 2018. That is the largest group since the chorale was founded in 2015. The majority attended both the spring and fall seasons. It was through the focus, dedication, and teamwork of the Northeast Chorale singers that the 2018 season was so successful.
